Points de vie

A worksheet for practicing the number 10. It features a vertical column of ten blue squares on the left, each followed by a horizontal dotted line. To the right of each line are three geometric shapes: a triangle, a star, and a circle.

A worksheet for practicing the letter 'A'. It features three rows of practice lines. Each row is marked by a blue square on the left. The practice lines consist of a solid top line, a dashed middle line, and a solid bottom line. To the right of the lines are three sets of geometric shapes for tracing: a triangle, a star, and a circle. The background of the worksheet is decorated with faint, stylized illustrations of flowers and leaves.
